Please check if it is installed." Thx for help A: This is the first part in a two-part answer: When you add a new action, you need to add it to the list of deployment actions. The deployment actions list is found in the DEPLOYMENT_ACTIONS.xml file in the deploy-config folder of your alfresco installation, e.g.: /alfresco/deploy-config/deploy-config/share/config/DEPLOYMENT_ACTIONS.xml You can see 3e33713323
