Good luck to all the folks that are having problems getting GTA IV on their.On the way back from the Shanghai Auto Show, the first to share its line up, Renault showed a nice host of new and refreshed models. Among all, Renault's spiritual successor to the Dacia Logan, called Logan EVO, gets a drastic overhaul in order to take on Volkswagen's popular upmarket crossover. Renault has never been known for luxury-focused crossovers, so it only makes sense that this high-end design with impressive specs is called Logan EVO. If you see the exterior, you will immediately notice the giant Renault logo in the grille while the two-tone color scheme adds to the sporty look. The car features a V6 petrol engine, and it should be enough to handle pretty heavy demands. The interior looks premium, but more importantly it's packed with features aimed at the luxury-oriented customers. The dashboard and cabin is covered with soft leather
