Tom And Jerry Tales Season 1-3 Hindi Dubbed on YIFY-HOT (1:50) Cartoon show Tom and Jerry (originally spelled tom and jerry) is an American comedy duo of cats. Created by William Hanna and Joseph Barbera, the franchise is the longest-running and highest-grossing animated television series in U.S. syndication history, and it has been in production since 1940. The first series aired on September 23, 1940, with Tom and Jerry Kids, and since 1952 as the title Tom and Jerry. Locations around New York City were used as the backgrounds for early episodes. As the series evolved, it began using mostly animated sets for the more realistic scenes. The first episode, The Rumpus, featured open, outdoor settings and was set in New York City's Central Park. As the series moved to an urban setting, settings such as New York City, Dallas and Los Angeles became common. The show's early episodes were intended as animated advertisements for American consumer products, such as Campbell Soup, Campbell's Tomato Soup, Campbell's Chunky Chicken Chow Mein Soup, Hunt's Tomato Juice, and Levi-Strauss ice cream. The first series saw very little variation in its theming; however, this was changed in the second series, when the show became a prime-time cartoon. Tom and Jerry and their many friends travel around the world in an effort to keep their human rivals from obtaining nuclear weapons. Tom and Jerry haven't had much to do in Season 7, so the writers brought them to an ancient Mayan temple in Mayan country. Legend has it that this temple was built in the year 1000AD. In this temple are statues of past Mayan kings and queens. As the humans are coming up the stairs, they meet the Mayan priest and priestess. Tom and Jerry try to shoo them away as they just want to watch the parade. The humans are chased away, but they have to leave their weapons at the entrance door. They rush back, but Tom and Jerry aren't there. This is just the beginning of Tom and Jerry's troubles. Tom and Jerry can't shake their reputation for being troublemakers, and it means that the Mayan priest, priestess, and the Mayan monarchs have decided to make Tom and Jerry the bad guys. Something is wrong with the temple, though. When Tom and Jerry go to see what's going on, their disguise begins to fall
