A fantasy action RPG developed by Gameia (Creators of the original "Elemental Knights", "Chaos Code", "Elemental HERO series" and the "Chaos Code: Ashen Fall online game") and Koji Yasuda (Creator of the Monster Hunter Online Game, "Dragon's Dogma"). ★ Combat System Your character can freely attack enemy monsters by cutting the three elements required to become stronger-Earth, Water and Fire. The three elements, and their balance, determine how your character will fight. The Elements system will evolve in real time depending on which Elements you equip, making it a strategic battle where you should carefully decide on how to approach the enemy. ★ Class System Elements have their unique skills, and various classes are available to a character according to Elements, developing the class and character to suit your play style, giving your character an easily customized character. ★ Historical World A history based on the myth of the Lands Between. A world where the myth of the Lands Between is alive. A world where a great civilization with sophisticated technology once thrived and where diverse lands existed. ★ Online Co-op Multiplayer You can connect to the server via online play (with no specific criteria required), and with up to four players you can take on monsters together. ★ Story With a deep story based on a myth and a world that's mysterious and vast, this game will allow you to discover its story in depth through various events as you explore and play. ★

Leaderboards As you challenge yourself in the story, you'll be able to update your profile by ranking up on the global rankings.

★ Items By creating a character to your liking, you'll be able to obtain the items needed to grow and evolve.

★ Multiplayer As you battle the monsters of the Lands Between together, other players will be able to view and join your online play.

★ 3D Graphics All graphics are in 3D models. An anime styled graphics are used for all the character models.

★ Original Soundtrack The OST of the game is composed of a great number of songs that can easily be made available to you.

★ Collector's Edition The Collector's Edition contains a white edition box, a booklet, and the OST of the game.

★ Accessories Also included is a collectible figure of the character you can customize from a 3D model, as well as a figure of the Lands Between itself.
