My CML is a great experience, I truly have found my doctor's office to be a comfort and help me through this disease. Thank you for everything, I look forward to many years of feeling great! - Alex In the past, I have experienced hearing loss from medications, but with this drug, I am hearing again and it is truly restored. Since taking Xcelodot to date, I have had about a 10 decibel drop in hearing loss (between 10-13dB). It has only been 5 weeks. I ended up getting a staph infection that was resistant to my previous antibiotics. I was very concerned about whether or not I would get better. My doctor told me I was doing very well and the hospital couldn't find anything wrong with me. My lung function had dropped 10% and I was hyperventilating (I was about to require a breathing machine). I 1cdb36666d

I love it because I can easily reach my pots and pans without having to get up from my seat or get my good hand on the edge." Cyndee "This is the easiest thing I've used in the kitchen to date! Love the design, and love the slide that goes in and out, it'
