About Bernie Needs Love Game

Single Bernie is living life on his own terms with no responsibility. In his place is his annoyed, bossy, and obsessive-compulsive dad, Bernie. With his encouragement, Bernie will meet a cute girl and take advantage of all the great stuff that comes with single life. Unfortunately, he has to follow his dad's rules or face a rough time in the local school. To make matters worse, Bernie's dad has his eye on him, and Bernie's dad always has his eye on Bernie.

Best of all, there are a few quirks of Bernie's that'll allow you to win great prizes! Whether you find the girl Bernie falls in love with or end up with the pizza Bernie leaves for you, Bernie Needs Love can be a good time.

Manage your love life, juggle bills and pizza delivery, and meet the fastest candidate to get a pizza to your door as Bernie Needs Love.

DEEDO TRIPER is a quick action game where you can create havoc in a brief amount of time. Have you ever wanted to shoot people from a helicopter, hide behind a tank and open fire on infantry units and walk through tunnels? Of course you have, but do you want to be able to do all of that in real time? In DEEDO TRIPER you are the god and everyone around is a simple being. It's a team of four and you can play with or against them in either of the two modes: Campaign - where the objective is to go through the game levels; Skirmish - where the mission is to kill enemies. The game has 5 map types, each with its own layout and different terrain features that will challenge you. The maps can be modified at any time and you can create them from scratch using a simple map editor. It has a key feature, physics, which will make the game unpredictable. It will be amazing, challenging and it will give you sleepless nights trying to figure out how to proceed, through the best and the worst. In any of the game modes you will be able to customize both your characters and your weapons, so the game will be a never ending source of fun.
