Michael Kharfen Michael Kharfen (1 February 1911 in Berlin; died 9 August 1996 in Berlin) was a German archaeologist specializing in the study of ancient Egypt. He created the well-known (The Book about Ancient Egypt). Biography Kharfen studied Egyptology, archaeology and history at the University of Berlin, and after completing his Ph.D. in 1936, he received his Habilitation. He taught at the Landesbibliothek Berlin (German state library) and at the University of Bonn. He held a professorship in Egyptology at the University of Leipzig until his retirement in 1985. Kharfen visited Egypt nearly every year during the course of his life, including the period of the 1972-1973 "Matter of Egypt" trip. His activities revolved around the excavation of stratified archaeological sites, which was his main passion. In 1958, Kharfen founded the (Museum of Egyptian Antiquities) in Berlin. He founded the Egyptian Section of Berlin University in 1966, as well as the and the Egyptian Institute of Archaeology (EIAR) in 1976. He published archaeological monographs on a number of Egyptian sites. Kharfen was the scientific director of the excavations in Thebes and founded the (Department of Prisons) at the University of Leipzig, which operated from 1967 to 1990. During his life, Kharfen published about 140 scientific works. He was the first to publish the results of the excavation of the (Thebes). His work on "The Book about Ancient Egypt" is widely used today. The first volume in the series was published in 1978 by Fakal Press in Cairo. Expedition to Egypt, 1959 Kharfen's expedition to Egypt in 1959 was the first of its kind. He and his team explored the Fayum (the geologists discovered the three-fold stratification of the rocks

## What's New in the Marwan Internet Watcher?
