Features Key:

Special Tactical PvP Battle System

A vast world that can be equally updated by the player and the map designer through 'offline' and 'online' updates.

From time to time, in addition to the updates mentioned above, the game will provide some 'additional content' that will allow additional conversations/battle scenes to occur and further new/existing areas to be opened.

Special graphics and effects to improve realism

Special skill effect

Skilful CSG work - original enemy faces, more realistic normal maps, and special attention to detail in the character and posing.

Lovely illustrations from the manga “Vulnohr”, which beautifully expresses the atmosphere of the story of the title.

Original soundtrack by Mizue Yokoyama.
