That means, unless you have a lot of space on your hard drive, you. Acronis True Image 9.7.8398It looks like Facebook is in trouble with the FTC. The social media network is facing an investigation into its privacy policies which may lead to an FTC lawsuit. The New York Times reports that the Federal Trade Commission is probing whether Facebook violated a privacy law by sharing data with the data analysis firm Cambridge Analytica, which carried out psychographic profiling on the site. The FTC has sent a request for information to Facebook asking if it shares data with third parties, how much data it shares, and with whom. The company says that it doesn
