ReFX Nexus 2 Dance Vol 3 Expansion Pack AiRISO Iso.18

if you are looking for a great starting point for a new production, or you just want to make some new "old school" edm, this is the pack for you! in this first part of the edm expansion pack series we present you with the 2 core element of the pack: "drum kits" and "risers" - 15 drum kits and more than 30 risers are in this library! the concept of the edm series is simple: if it were made of real metal, it would be a drum kit. well, it is real metal but without a body! the producers used the actual sounds of real drums but make them more or less unbalanced and modulated to all kinds of effects: the kick, the snare, the tom, the bass and the hi hat. add a nice fx-riser to your track and you get a really fresh drum kit! if you like a real and crunchy break beat, but still want to be soft on the edges,

then the edm riser pack for avenger is the perfect choice! these riser sounds are carefully crafted to evoke the feeling of big and deep breakbeats. when you get a big and punchy riser sound you can add it to your song, and the effect is simply stunning! if you dont like a punchy feeling in your edm, then this expansion pack is just the thing for you! all riser effects are made in the most realistic way possible. they will never sound computer-generated. if you are looking for a real and crunchy break beat, then the edm riser pack for avenger is the perfect choice! the creation of the edm expansion pack series: the amazing kevin schroeder shows you his new and very deep expansion pack: "2 volume edm expansion pack". he carefully selected more than 100 sample packs to create these many amazing edm riser effects. these new sounds will be a perfect starting point for your next track and are also very versatile, you can add them to almost any edm track to get a fresh and new sound. this edm expansion pack is a must have for all producers of edm, house and other genres who just love breakbeats! 5ec8ef588b
