## FULL Allway Sync 16.0.1 Pro [UPDATED]

[Download](#)

- different sync policies are possible: allway sync supports single schedule synchronization and batch synchronization; - the user can choose a particular schedule such as daily, weekly, or monthly ; - the user can choose to exclude certain file types from being synced or synced only to a specific location/server (for example synchronization between desktop pc and laptop will not synchronize the documents in the documents folder); - restoring the synchronization state in the event of failure in the synchronization process of a single file is supported; - the synchronization process of an incomplete synchronization is supported; - maximum file size and maximum number of files are not limited; - new! support of synchronization using zip archives; - new! support of synchronization using ms skydrive; - the synchronization mechanism can be adjusted during the synchronization process depending on the situation by a user; - support of

---

synchronizing between an allway sync sync server and a portable version of the program is now possible; - added support of synchronization between bitcoin wallets; - added support of a new sync-to-local option that the synchronizer will automatically sync files to windows ce devices; - added support of synchronization of files with some international characters; - added new options to export files and folders for backup/restore and synchronization to/from skydrive; - added support of synchronization of data in dropbox folders; - multiple bugfixes and minor improvements;

### **FULL Allway Sync 16.0.1 Pro**

Allway Sync is intended to be entirely open-source, but is also available on a “buy a license” model. There is nothing preventing you from providing your own warranty or support for Allway Sync. If you provide your own warranty or support, you have exclusive rights to those provisions. You must, however, share the cost of those rights and provide a “License Agreement” to all other users, upon request. This license is provided to you “AS-IS” and WITHOUT WARRANTY of any kind, express or implied, arising from a

---

contractual relationship or otherwise. In no event shall the Licensor be liable for any damages whatsoever arising out of the use or execution of Allway Sync, even if the Licensor has been advised of the possibility of such damages. Without limiting the foregoing, nothing contained in this License Agreement shall be construed as a waiver of the Licensor's rights to assert a claim against the user for a violation of law or right of any sort. The Licensor may provide a Notice, which will be provided to you through the Licensor's website or other mechanism, advising that your use of Allway Sync may be subject to additional warranty or liability restrictions. If you wish to make changes to the software, you may obtain a copy of the source code at any time at [www.allwaysynccheck.com](http://www.allwaysynccheck.com) . The source code is licensed under the GNU General Public License version 2.0. The option to include source code with the purchased license is in addition to the terms of the License. The GNU General Public License version 2 is in effect. 5ec8ef588b
