When I was a little girl my mother, who is now in Heaven, used to read me Ahmad Dehqan's work. Ahmad Dehqan also wrote a poem for my mother. The following is the translation of his poem into English. "Paintress of the Heart" is a poem composed by Ahmad Dehqan while he was still alive. . Its the atmosfere of the poem to the reader, to his mother to whom the poet is addressing his poem. . . . My mother was reputed in the Istanbul's artistic society. And the poet Ahmad Dehqan was one of her friends. So it was natural for him to dedicate a poem to her in a special way. When Ahmad Dehqan died, he left for his mother his moneys, expenses, book of poems, and his books of paintings and other artworks. In this book, he entitled "Nujood the male and female nude character model" (Nujood, the male and female nude character model). This book was not published. There was a copy of it in the museum of the university of Istanbul. This is why I am sure that this poem was written while he was still alive. I myself have made two translations of this poem. These are published in two separate poems. The only difference is the translation of the poem's title. The reason is that some people stated that the title of the poem was not right. And the poet Ahmad Dehqan may have given his own title. In any case, I myself believe that the title of the poem is right. . . The poet Ahmad Dehqan had set his goals to be 79a2804d6b
